MAINT EVENT - Relay for Life! (Friday, May 6, 2016 at 9:15 a.m.)

Relay for Life is an event that helps build community spirit by bringing students and staff together for cancer, a cause that affects everyone. It is a great event for people of all ages, interests, and ability levels. Relay for Life provides a leadership opportunity to students who can help plan and participate in the event. This student-led initiative teaches us all about the value of charitable causes and volunteer involvement. This year, our goal is to surpass last year's total of \$13,500.00
